System Quota Allocation

The Directorate of Veterinary Services (DVS) under the Ministry of Agriculture, Water and Land Reform (MAWLR) hereby informs the public about the implementation of the ear tag quota system when purchasing ear tags at the Meat Board of Namibia.

Each producer will be allocated an ear tag quota when applying to purchase ear tags. The quota is the number of ear tags the producer will qualify for in a 12 month period. It will be generated based on the total number of ear tags registered and ear tag replacements done in the previous 24 months. The system will then deduct the number of ear tags purchased in the past 12 months to determine the number of tags eligible for on the day of application. The ear tag quota system will be in effect as from 8 June 2020.

For further information, producers are urged to contact the NamLITS head office at the following telephone numbers: 061-208 7294 / 061-208 7307 / 061-258501
